Zebra Mix Deluxe Gift Kits

Includes our delicious organic mixes, Safari Baking Map® and high quality kitchen tools designed for kids!

About Zebra Mix

Each kit is loaded with high quality, organic and all-natural ingredients to bake up delicious treats. But what really makes us popular is the way we place kids in the center of the baking process where the real fun and learning begin!

Our Safari Baking Map is a large fold-out instructional map that visually engages kids through every step of the baking process. Filled with entertaining mix of creative art, science, math and hands on learning activities.
